Redirecting Children's Behavior

This is a five-session practical course that provides positive, commonsense strategies dealing with everyday issues of parenting children of all ages. Discover how you can enjoy a calm, peaceful and fulfilling relationship with your child. Learn the four principles of why children misbehave as well as learning proven, effective non-punitive strategies to help children develop self-discipline, responsibility, cooperation, problem-solving skills, and feelings of competence, confidence and capability. Come see why parents rave about this course.
