1) Non-California residents should add \$12,245 in non-resident tuition which is charged as \$4,082 per quarter for fall and winter and \$4081 for spring quarter.

2) The School of Pharmacy & Pharmaceutical Sciences requires all 1st year students to purchase a laptop PC computer with wireless/remote capabilities. Although the cost of a computer is not automatically included in a student's standard financial aid budget, a student may request that the Fin. Aid Office add up to \$2,000 to his or her individual budget in order to fund this purchase. This \$2,000 allowance may be used in increments over a student's four-year tenure.

3) Room & board for "living with parents" = \$3,036 (9 months) and \$4,048 (12 months).

4) Registration fees for student first enrolled prior to Dec 16, 2002 and whose professional fee was raised on or after that date is estimated to be \$14,614.50 for Fall-Winter-Spring.

5) It is most likely that summer quarter fees will increase beyond the estimate indicated here. However we will not know the actual amount of these fees until the Regents set the fees for the 2009-2010 year.
